

INGLETON PARISH COUNCIL
MINUTES OF MEETING DATED 10TH MAY 2017
HELD IN INGLETON SPORTS PAVILION AFTER THE ANNUAL PARISH MEETING

[The meeting was opened by the Clerk. New Parish Councillors were invited to join the Council]

Public Participation

- a) One resident reported large holes in Manor Road, Ingleton.
- b) One resident asked why the Parish Council Meeting evening had been changed. The Clerk explained that it was more convenient for him as he had other commitments. He stated that he had agreed to bring the meeting forward by fifteen minutes in order that ladies of the WI – whose meeting clashed with the Parish Council meeting – could attend for the Public Participation element of the meeting. It was asserted by the public that this information had not been communicated to either the President of the WI nor any of the WI members.
- c) Another resident mentioned that there was double – i.e. side by side - parking on the access roadway at Church View cottages making it very difficult for residents in that location having ease of access and egress.
